

Xbox Live is an online multiplayer gaming and digital media delivery service created and operated by Microsoft Corporation. They refer this platform as “the Ultimate Broadband Gaming Experience,” accessible on the Xbox and Xbox 360 consoles. After reaching 10 Million users, I decided to change my GamerTag (GT) to disseminate 9/11 truth to the console gaming world.

A week ago, this message popped up as I attempted to login on the Xbox.com website:
