

And what they didn't bother to mention in that story?...Amongst other things, the fact that Jacoby and Young Political Majors were hired by the California Republican Party to head up their voter registration efforts in the state. Jacoby had been arrested for Voter Registration Fraud last October, smack dab during the media's orgasmic heights of last year's phony GOP ACORN "Voter Fraud" hoax, even as Fox "News" (and the other news outlets who similarly fell for the scam) were going wall-to-wall with their unsupported insinuations about voter fraud by ACORN, Democrats and Obama.
