

## Israeli stores pull book attacking settlers

Tuesday, 13 April 2010 14:22 -

---

An Israeli bookstore chain says it has pulled a book highly critical of Jewish settlers in the West Bank after customers complained about it.

The book calls the settlers "hypnotized zombies" and attacks the Israeli right for its strong ties to the them. The Tzomet Hsfarim chain packaged the book with an Israeli flag for independence day next week.
