

*Okay. Fine. So some of that is kooky talk. - But let's look at it a bit deeper.*

---

Let's be honest with ourselves, here, fellow Jews. We do control the media. We've got so many dudes up in the executive offices in all the big movie production companies it's almost obscene. Just about every movie or TV show, whether it be "Tropic Thunder" or "Curb Your Enthusiasm," is rife with actors, directors, and writers who are Jewish. Did you know that all eight major film studios are run by Jews?

And let's not forget AIPAC, every anti-Semite's favorite punching bag. We're talking an organization that's practically the equivalent of the Elders of Zion. I'll never forget when I was involved in Israeli advocacy in college and being at one of the many AIPAC conventions. A man literally stood in front of us and told us that their whole goal was to only work with top-50 school graduate students because they would eventually be the people making changes in the government. Here I am, an idealistic little kid that goes to a bottom 50 school (ASU) who wants to do some grassroots advocacy, and these guys are literally talking about infiltrating the government. Intense.

We Jews are a funny breed. We love to brag about every Jewish actor. Sometimes we even pretend an actor is Jewish just because we like him enough that we think he deserves to be on our team. We brag about Jewish authors, Jewish politicians, Jewish directors. Every time someone mentions any movie or book or piece of art, we inevitably say something like, "Did you know that he was Jewish?" That's just how we roll.

We're a driven group, and not just in regards to the art world. We have, for example, AIPAC, which was essentially constructed just to drive agenda in Washington DC. And it succeeds admirably. And we brag about it. Again, it's just what we do.

But the funny part is when any anti-Semite or anti-Israel person starts to spout stuff like, “The Jews control the media!” and “The Jews control Washington!”

Suddenly we're up in arms. We create huge campaigns to take these people down. We do what we can to put them out of work. We publish articles. We've created entire organizations that exist just to tell everyone that the Jews don't control nothin'. No, we don't control the media, we don't have any more sway in DC than anyone else. No, no, no, we swear: We're just like everybody else!

Does anyone else (who's not a bigot) see the irony of this?
