

Suicide Attempts for Vets Jump 500% in Five Years, and Government Ignores It

Thursday, 11 September 2008 17:30 -

After five years of war in Iraq, Marine suicides doubled between 2006 and 2007, and Army suicides are at the highest level since records were first kept in 1980. Reported suicide attempts jumped 500 percent between 2002 and 2007
