

Olbermann and Maddow eviscerate McCain over his lack of support of vets and the troops. Olbermann details all the pro-troops legislation that McCain either opposed or refused to even show up for a vote. You really need to watch this, then send it to your friends. These are actual votes that McCain opposed, actual legislation that would have helped the troops, and he was against it. McCain likes to talk about how he's all about the troops, but he doesn't like to talk about the specifics of his record.
